## WHAT YOUR SCORES MEAN

### **WorkKeys Applied Math:**

You scored at Level 5. People who score at Level 5 have demonstrated all of the Levels 3 and 4 skills. They also have demonstrated the following skills to:

- Decide what information, calculations, or unit conversions to use to find the answer to a problem.
- Add and subtract fractions with unlike denominators (such as  $\frac{1}{2} - \frac{1}{4}$ ).
- Convert units within or between systems of measurement (e.g., time, measurement, quantity) where the conversion factor is given either in the problem or in the formula sheet.
- Solve problems that require mathematical operations using mixed units (such as adding 6 feet and 4 inches to 3 feet and 10 inches, or subtracting 4 hours and 30 minutes from 3.5 hours).
- Identify the best deal using one- or two-step calculations that meet the stated conditions.
- Calculate the perimeter or circumference of a basic shape, or calculate the area of a basic shape.
- Calculate a given percentage of a given number and then use that percentage to find the solution to a problem (e.g., find the percentage and then use it to find the discount, markup, or tax).
- Identify where a mistake occurred in a calculation (such as identifying the row in a spreadsheet where a problem occurred).

### **WorkKeys Graphic Literacy:**

You scored at Level 5. People who score at Level 5 have demonstrated all of the Levels 3 and 4 skills. They also have demonstrated, using graphics designed at the high-moderate level, the skill to:

- Locate information in a graphic using information found in another graphic
- Compare two or more pieces of information
- Identify a trend/pattern/relationship
- Make an inference or decision
- Identify the graphic that accurately represents the data

Additionally, using graphics designed at the low-moderate level, they have demonstrated the following skills:

- Compare two or more trends/patterns/relationships
- Interpret a trend/pattern/relationship

- Make a reasonable inference or decision based on one graphic finding information in another graphic
- Justify a decision or inference based on information
- Identify the most effective graphic given a defined purpose
- Justify the most effective graphic given a defined purpose

### **WorkKeys Workplace Documents:**

You scored at Level 7. People who score at Level 7 have demonstrated all of the Levels 3, 4, 5, and 6 skills. They also have the skill to read and comprehend long workplace documents that contain many details and are written in lengthy, complex sentences that use advanced vocabulary including esoteric words, jargon, and acronyms where meanings must be inferred from context. In reading these documents, they are able to:

- Infer implied details
- Infer the meaning of an acronym, jargon, or technical term from context
- Apply information/instructions to a situation not directly described in the document or to a completely new situation
- Apply principles inferred in a passage to a situation not directly described in the document or to a completely new situation
- Identify the rationale behind an entire document or a section of a document
